Managed Behavioral Healthcare Services: Specific Diagnostic Considerations

The diagnoses listed below are of particular concern because they may not be included in the member's benefit package or may be listed as exclusions. Because of this, these diagnoses, when they are the primary diagnosis and focus of treatment, require authorization.

PLEASE NOTE: According to Federal guidelines, American Behavioral is required to obtain reimbursement for inadvertent payment of claims with non-covered diagnosis(es) when applicable. We encourage you to always check eligibility and benefits by calling the Managed Behavioral Healthcare Services Department at 877-660-6646.
